

# KNARIK GALSTYAN

## DEVOPS INTERN

### ABOUT

Although a newcomer in the IT industry, my researching skills and analytical mindset make me confident that I can quickly adapt to new realities. My willingness to engage in active learning helped me build a solid foundation in Networking, Version Control Systems, Cloud Computing, and scripting languages, among others. I'm confident that this makes me a strong candidate for the DevOps intern position, and I'm eager to continue growing in the IT field.

### EDUCATION

Python/DevOps  
*SmartCode Development School*

Ongoing DevOps related courses  
*Udemy/Epam/...*

Business Administration  
*ASUE/ graduated in 2019*
